THE TEAM

John – Owner
Big Dave – Foreman
Jeff, Ben, Laura, Ray,
Justin, Staci, Cody,
Brandon, Rick,
Lelan and Dusty.

THE BIG SCOOP – Winter is coming, but we work in all types of weather. Now is a great time to stock up on firewood! There's just nothing like a mug of hot chocolate by a warm toasty fire... Does your driveway need repaired? We can deliver road gravel, crushed concrete, or milled asphalt to you. Septic or drainfield problems? Stop by to pick up a permit application. Free estimates available. Give us a call today at **(231) 937-5014**.

UNDER CONSTRUCTION – We are your 1-stop shop for modular, mobile home, and pole barn site prep. We install septic systems, drainfields, driveways, roads, basements, and crawl spaces, and we handle tree removal. We have amazing concrete contractors, electricians, and plumbers to help with your new build.

While doing all of that... we deliver tons of quality material to our favorite customers in Howard City, Newaygo, Morley, White Cloud, Lakeview, Croton-Hardy, Pierson, Rockford, Grant, Sand Lake, Coral, Cedar Springs, Stanwood, Sparta, Kent City, Big Rapids, Trufant, and everywhere in between.

TEAMWORK

Email: powells5014@gmail.com

FUTURE FORECAST – Business will be booming as our little town grows bigger and prospers. Tons of improvements are planned and we expect a surge in new construction, to meet housing demands.

If you know someone who is looking to buy or build, give us a call. We have houses and property for sale often.

We live and work in a great area. Make sure to spread the word!

Don't forget to check out the cool pictures on our website at www.powells5014.com
